Sounds good. Sarah is out on Mondays but it looks like everyone else is planning on being around. I think it would be good to have Sarah, Katie and Henning there. Anyone else you think should be there? Here are some times that are open to start with.

Tuesday 1/12, 9 to 10:30PM; and 12 to 3PM
Wed. 1/13, 9 to 12PM; and 1 to 4PM
Fri 1/15, 9 to 11PM; and 12 to 4PM.

Subject: RM7W GW Meeting

Good Morning Dave, I'd like to schedule the DEQ/EPA meeting we discussed the other day re: GW in the RM7W area. Would sometime week of January 11 work for you and other DEQ staff? We'll get the RM7W Bayer and Arkema PDI WPs this Friday, the 18th, and I figure we'll all need to take some time to go through them and identify and potential issues. You and I could shoot to pull an agenda together a couple of days before the meeting.

We are pretty open the week of January 11 except for Wednesday afternoon, so let me know what works for you.

Thank you,
Madi
